

iSBEMmt Software Step-By-Step Installation Guide

1. Download the iSBEMmt ZIP file from our website
2. Extract the iSBEMmt Folder to C: drive
3. To open the iSBEMmt, click on the iSBEMmt folder and click & drag file iSBEMmt_v4.2.c.mdb on iSBEMmt Access 2003.exe, as shown in the image below:

4. Kindly wait for the software to open

Troubleshoot: If the software does not open, kindly disable the temporarily the Antivirus, and repeat step 3. If it works, reactivate the antivirus.

If the issue persists, kindly send an email to epcassessors@bca.org.mt and attach a print screen (if necessary) of the error.
